NEWSLETTER #6 - L. V. Guerra, Editor

It's that time again!

Preregistration:

Attached at back page you will find a copy of the preregistration form mailed to you about six weeks ago. If you have not already done so, please fill it in and send it to the address indicated. It is important we know how many are planning to attend. This makes arrangements a lot easier if we know how many we can count on. Also, you get a 10% discount if you register early. In the world of today's inflated prices, this is a pretty good lick. So, send them in real soon.

Tapes of the Minneapolis, Minnesota, U. S. A. meeting are available:

If interested, please note page on back. Best order now. Some of these tapes will become collectors items and you will be sorry you didn't have the immortal words of such distinguished speakers as Don Lee, Lou Guerra and some other good and great ones.

Board of Directors Meeting - January 17, 1978:

Dauphine Room - Hyatt Regency, New Orleans, Louisiana
Practically the whole Board of Directors was present at this meeting.
Several important things took place:

1. Seventeen proposed amendments to the Articles of Incorporation and Bylaws were approved for submission to the membership at the annual meeting to be held July 9-12, 1978, in Jacksonville, Florida, U. S. A. You will receive the proposed changes with your program the last week in May.
2. Delinquent accounts were discussed and several people agreed to contact them to get them up-to-date on payments.
3. This meeting was after the Super Bowl, where the Dallas Cowboys won. Still a few "crazies" left in town, but no great problems.

Board of Directors Meeting (Continued):

4. Membership: Total members as of January 1, 1978 - 563
5. Treasurers Report: We are in good financial condition at the present time. Need your dues though to keep everything operational. Pay your preregistration fee early and get your 10% off.
6. Committee Appointments: All stable except International Contacts. Dr. David Perkins is out of U. S. A. Lou Guerra from the Great Sovereign State of Texas appointed by President Lee of the Great Territory of Louisiana to replace David.
7. Resolutions and Bylaws Committee: Ron Stanley and his group did a tremendous job on a very difficult task. Our appreciation goes out to him and staff.
